SUBJECT.

Increase of Octroi establishment in the town of Chitaldurg

1st Councillor's query

Should not there be a limit to cost of Octroi Establishment The revenue is estimated is about Rs 2700 The present cost of establishment is more than 10 per cent & a further addition of Rs 60 p annum is proposed

The limit of expenditure on account of establishments for collecting Octroi duty is 10 per cent (Please see para 10 of Pro Dy 30/10/79 etc — 4032 43 / M 201)

(2) What is the proportion of cost in other Districts.

(2) The proportion of cost in Mysore Bangalore and other District head quarter towns is given below.—

Octroi returns depend very much upon the efficiency of the detective staff and as the Dy Com^r says the present establishment is not strong enough to cope with smuggling, we may give him a free hand for the present & see if after a year future returns justify the increase.

smuggling, it is therefore
considered desirable that
the present establishment
should be revised as noted
in the margin. The revenue
realized from this source
during the first six months
of the current year has
come to Rs 1380. At this

L-7172-94
dated 17th February 1896
requesting to explain
more fully the reasons
for the proposed revision
of the Peon Establishment
at Chitaldroog stating
at the same time the no:
of out-posts or places
where the peons have to
guard.

With reference to the above,
I have the honour to state that
the out-posts to be served to
are 5 as noted in the
margin. The existing
scale consists only of
3 peons who are now
deputed

1. Road from Gumatte to the side of Gangavati Katte — 12 guards.
2. Bungayi's Gate — 1
3. Road by the side of Kamara School & do - by the side of Venkatacharlu's garden — 1.
4. Saute' Gate. — 1
5. Honda Gate & road to Bhuganakatte — 1
6. Peon for Peon's Katte — 1

5 Out-posts; Consequently the work for which they are employed is not satisfactorily executed. Smuggling cases have of late increased to a great extent resulting in a fall in the Octroi Revenue. To remedy this the employment of a Separate guard for each of the out posts is proposed.

2. The undersigned therefore requests that sanction may kindly be obtained to the proposed revision with effect from 1st July 1897 as resolved by the Board. Vide Pro: dated 30th April 1897 an extract of which herewith submitted.

Yours obedient
